

What is SIMUN?

3 DAY
CONFERENCE
1 to 3 APRIL 2024

**THE INDIAN PUBLIC SCHOOL,
COIMBATORE**

Students from the southern states can engage and broaden their global perspectives on the South Indian Model United Nations stage. As a community, we support and value international cooperation and harmony. The key to achieving this goal is equal representation and voice. The Model United Nations Conferences will hopefully be improved upon and expanded upon. SIMUN is renowned for its rigorous academic and educational approach and demonstrative excellence. In its potential 18 committees, SIMUN will welcome participants from all around India, which is immensely exciting and gratifying.
